

Early Years Foundation Stage

They EYFS has 4 guiding principles.

- ▶ Every child is a unique child, who is constantly learning and can be resilient, capable, confident and self-assured
- ▶ Children learn to be strong and independent through positive relationships
- ▶ Children learn and develop well in enabling environments, in which their experiences respond to their individual needs and there is a strong partnership between practitioners and parents and/or carers
- ▶ Children develop and learn in different ways and at different rates.
